All abstracts should be a condensed version of your presentation (oral or poster) and include all significant findings. The text should include a brief introduction and motivation of the study, including experimental procedures, main results and conclusions.

All abstracts should fit in one page (preferably US Letter size). Document Margins should be one inch (25.4 mm) top and bottom and 0.75 inches (19.1 mm) left and right. The text should be between 200-400 words. Use a 12 point Times New Roman typeface, fully justified formatting and single spacing between lines. Use italics for taxonomic terms. Do not indent paragraphs.

Please submit your abstract as a Microsoft WORD file. The filename must have the appropriate extension (".doc", "docx").

All submissions will be reviewed for scientific content by the Conference/Sessions Conveyors and ISA 2014 Standing Committee. Contributions will be reviewed according to the following criteria: (a) relevance to the specific session submitted for, (b) scientific content, quality and innovative proposals, (c) clarity of the text and (d) compliance with the format.

All accepted papers must be presented by a meeting registrant. If the registrant cannot attend due to unforeseen circumstances an alternate presenter should be arranged by the submitter.

At the bottom of the abstract please indicate in which of the Conference sessions you want your abstract to be considered for and also your preference for oral or poster presentation and if you want to compete for the best student poster prizes:

Session to which the abstract is submitted:

Preference for oral or poster presentation (ORAL, POSTER, NO PREFERENCE):

(please note the oral preference does not oblige the reviewers)
